

## **Christopher Mann, CET, NICET II**

Civil Engineering Technology, 2007  
New Brunswick Community College, Moncton, New Brunswick

Sprinkler Design Certificate, 2011  
Seneca College, Toronto, Ontario

### **Areas of Practice**

- Client Service
- Sprinkler System Design
- Fire Alarm System Design
- Project Management
- Hydraulic Analysis
- AutoCAD Drafting
- Fire Safety Planning
- Building and Fire Code Consulting

### **Professional Experience**

RJ Bartlett Engineering Ltd, Halifax, NS, 2008 to present

- Project Manager
- Certified Engineering Technologist
- Sprinkler System Design
- Fire Alarm System Design
- Fire Safety Planning

Harris Rebar, Dartmouth, NS, 2007 to 2008

- Junior Structural Engineering Technologist
- Reinforcing Steel Detailing
- Rebar Solutions
- Client Service

### **Affiliations**

- Certified Engineering Technologist, TechNova
- National Institute for Certification in Engineering Technologies, (NICET) Water-Based Systems Layout, Level II

November 2016
